Terraced Townhouse for sale in Alhaurín el Grande

This town house is located in a quiet street in the heart of the old town with street parking nearby. The house is a typical Andalusian town house that has been recently renovated and modernised. Through the front door there is the lounge with wood burner installed in a smaller snug room between the lounge and kitchen. Also off the lounge is a double bedroom. At the back of the house is the kitchen and bathroom. Upstairs there are two bedrooms and a roof terrace. There is plenty of opportunities here for renovation work and improvements but the...
